

## **Hertsmere Community Safety Action Plan 2019 - 2020**

The strategic aims for Hertsmere Community Safety Partnership for 2016-2020 are to:

- Tackle crime, anti-social behaviour and extremism
- Build community confidence and increase the feelings of safety by empowering our communities
- Raise awareness and take action against domestic abuse
- Support and protect vulnerable people affected by emerging issues, such as child sexual exploitation, modern slavery and human trafficking

The Strategic Assessment 2018-2019 identified Hertsmere's top risks as:

- Assaults without injury
- Drug possession particularly within the NTE
- Theft from person
- Violence Against the person
- Theft other
- Residential Burglary

The partnership have identified the emerging risks in the borough. The partnership will work together to tackle these crimes before they become a top risk, as they have done in other areas across the county. This action plan focusses on the emerging risks, which are:

- Identify and prevent serious Youth Violence, with a specific focus on knife crime
- Tackle illicit drug economy, particularly drug supply lines and protect the most vulnerable by curtailing the growth of county lines
- Increase feelings of safety and public confidence by reducing anti-social behaviour
- Tackle Domestic Abuse / Increase the reporting of domestic abuse incidents and raise awareness of domestic abuse and the services available
- Disrupt and deter criminals involved in child criminal and sexual exploitation and protect vulnerable victims
